Located on Lovette Road near Lumberton in Robeson County North Carolina, this farm would be great for home sites, agriculture, a horse farm, hunting, recreational, or timber land. It is in a quiet rural location only 5 minutes from downtown Lumberton NC. Lumberton offers shopping, dining, and a hospital. The lake on the property is 19+/- acres of clear water for fishing and boating. The Natural and Scenic designated Lumber River is close to the farm offering fishing, waterfowl hunting and canoeing. Deer, turkeys, doves, ducks, and small game can be hunted on the property. Planted and natural regeneration loblolly pine is growing on the property for future income. The cleared land features premium agricultural soil types including Kalmia, Lumbee, and Johns. If you are looking for a peaceful home site or quality agricultural and timber land take a look at this one!
