REDUCED! With great agricultural and timber soils, this income-producing farm is a great investment that also offers excellent hunting!

Located off of Paul Barnes Road near Chadbourn in Columbus County North Carolina, this farm has a great combination of quality agricultural fields, timber, and hunting. The fields are primarily Goldsboro soil, which is considered among the best soil types for row crops. The pine timber has been thinned and is growing fast. There is plenty of deer sign on the farm, and you just need to put up a stand to be ready to hunt. A BioLogic food plot back in the timber in an abandoned field would make a great place for a stand also. This farm is located convenient to Whiteville, Tabor City, and Highways 74 and 76.
