With frontage on Highway 13, a cleared 5 acre field, and great wildlife habitat, this is a nice farm for a home site in the country!

Located on Goldsboro Road and Barefoot Road near Wade and Falcon in Cumberland County North Carolina, this farm offers potential home sites along with great hunting for deer, small game, and turkey. There is an approximately 5 acre cleared agricultural field with quality soils for growing row crops or BioLogic food plots. This farm is only a few minutes from Fayetteville, Ft. Bragg, and Clinton. http://co.cumberland.nc.us/ There are a couple of potential home sites on the farm. A home site along Barefoot Road would be very private, with only one other home nearby. If you are looking for acreage in the country with plenty of room for recreation, take a look at this farm. An additional 365+/- acres with extensive frontage on South River is available adjoining this property across Barefoot Road.
