With a private potential home site and great hunting, this property is close to everything but still in the country!

Located on Saw Mill Road in Northwest in Brunswick County North Carolina, this property is perfect for a country home only minutes from Wilmington and the beach! The property features gently rolling topography and is mostly wooded with oaks and pines. A beaver pond on the property provides excellent habitat for ducks and other wildlife. There is a good deer population, and a BioLogic food plot would attract plenty of deer and turkey. The power line that crosses the tract would be a great place for the food plot and a deer stand. Leland is only a few minutes away for shopping and restaurants. If you are looking for acreage to build your home in the country take a look at this one!
